

Rocket Blast for the week of Aug 28

Happy Tuesday!

This Week at Rosehill:

Tuesday, August 29th A Day

Students Practice Safety Drills

Wednesday, August 30 B Day

Thursday, August 31 C Day

Friday, September 1 D Day

12:30 Dismissal

Monday, September 4 NO SCHOOL

Safety Procedures

Please take time to have a conversation with your child(ren) about how they will safely arrive and go home from Rosehill. All children and parents should be using the crosswalk or where Mr. Strathman can stop traffic. If children are riding bikes, a helmet is required. Consistent conversations from school staff and parents will help keep all of our Rosehill students safe. Thanks for making this a priority!

Monday, August 21st C Day

Solar Eclipse (more info below)

1:00-1:15 Solar Eclipse Viewing

Tuesday, August 22nd D Day

Wednesday, August 23rd A Day

Thursday, August 24th B Day

Friday, August 25th C Day

Looking Ahead:

September 1st: Early Dismissal

September 4th: NO School

September 29th: Rosehill Carnival

Solar Eclipse

After much anticipation, the eclipse is almost here! As a building (K-6) we will be going out to the playground from 1:00-1:15 with our NASA approved solar glasses to observe the event. Extensive training has been covered by the classroom teachers on all safety procedures. If you would prefer your child does not go outside for this event, please contact the Rosehill office and we will have them watch a live stream inside the building. Students are allowed, and encouraged, to bring a hat to school tomorrow to wear outside for the eclipse. I do want to stress that we will be enforcing a zero tolerance approach tomorrow and will have any student that removes their glasses without adult instruction sent inside for the remainder of the event. With the support of all staff and parents attending, I feel very confident it will be a successful experience for all children.

Also of note, all lunch times will be moved up 10 minutes tomorrow so the school can be properly situated on the playground by 1:00 p.m.

Photo Release

Thank you to everyone that has already completed their child's online forms in Skyward. I want to remind all parents that if you select "no" for your child's photo release, then your student's picture will not appear in the Rosehill yearbook. The photo release can be changed on Skyward if you have already completed the form and change your mind. Please let the office know if you need any assistance.

Dismissal

I would like to strongly encourage parents to stay in their car at dismissal and go through the circle drive to pick up their child. We still have several adults crossing streets in unmarked areas and parking in No Parking zones. Officer Larson will be at Rosehill this week to help enforce procedures and place an emphasis on student safety. It takes all of us working together to keep a safe, efficient dismissal. Please help us set a good example for the children and teach them the importance of following procedures. Thank you for making this a priority.

Don't miss out on this year's spirit wear! Order forms and payment are due this week. You can find the form on the Rosehill PTA website under the Fundraising tab - <http://www.rosehillrocketpta.com/fundraising>

Rocket Blast for the week of Aug 14

Thank you to everyone for a memorable start to the 2017-18 school year! The laughter, smiles, and hugs were contagious and swept through the hallways of our building. The staff at Rosehill is committed to making this school year the best one yet!

Events This Week at Rosehill:

Monday, August 14 B Day

Pre-K & Kindergarten Conferences
Full Day of School 1-6 grades

Tuesday, August 15 C Day

First Day of Pre-K and Kindergarten!
8:00 Tea and Tissues for Pre-K/Kindergarten/ & New Parents
7:00 p.m. PTA Meeting in Library

Wednesday, August 16 D Day

Thursday, August 17 A Day

Friday, August 18 B Day

Solar Eclipse August 21st

We will be using August 21st to incorporate several learning opportunities centered around the special solar eclipse event. Individual classroom teachers will be communicating with parents

the specifics of what their class is doing that day. ALL parents are welcome to join their child(ren) on the Rosehill playground from 1:00-1:15 to observe the actual eclipse. PTA has graciously provided Rosehill students and staff with NASA approved glasses so we are safe during this activity. Teachers will be spending time in the classroom to cover the importance of keeping the glasses appropriately covering our eyes while outside. Students will not be allowed on outside from 11:00 a.m. until 2:30 p.m. for recess so we keep everyone safe. Parents if you do plan to attend the viewing, please plan on bringing your own solar eclipse glasses as we may not have enough. If you have any questions please contact the Rosehill office at 913-993-4800.

Rocket Blast for the week of July 26

Rosehill Family,

I hope everyone is enjoying their summer! Attached is the back to school letter for the 2017-18 school year in English and Spanish. I am extremely excited to see everyone and hear about the adventures of summer break. Please feel free to contact me if you have any questions about the upcoming year.

2017-18 Back to School Letter

Mr. Strathman
