Halloween Parade:

Halloween is Tuesday and it looks cold! If the forecast holds true, we will move the parade indoors. In this instance, we ask that parents go to the MPR and our students will parade to you. We are looking forward to another exciting event!

A friendly reminder that we request students leave any toy weapons that go with their costume at home. Also, if you could limit the amount of makeup your child wears it will help teachers out tremendously!

SMART Connections

Don't miss out on this great event this Thursday, November 2nd from 3:30-5:00! Send your RSVP back as soon as possible! We look forward to seeing you there!

Arrival/Dismissal Traffic Pattern Change!

Starting Monday, October 9th the first circle drive gate will be permanently closed and all vehicles will need to go through the main drive! The way to keep our arrival/dismissal at an efficient rate is by pulling completely forward to the marked spot on the image. This change will help stop students and parents from walking across the drive, which is a safety concern. Thank you for helping us with the effort and making safety a top priority at Rosehill. Attached is an image to show the change.

Dodgeball Tournament

Dodgeball Flyer

The Dodgeball Tournament is on Thursday October 12th in the Rosehill gym. Registration starts at 5:30 and the tournament starts at 6. Teams must consist of 6-8 people, 50% of the team must be Rosehill students, and will cost \$5 per person. Registration forms and rules are available with Mrs. Kain and also went home this week. There will be concessions for sale. This event will be fun for the whole family. Please come out and help make this a successful fundraiser for the 6th grade class.

Rosehill Rockets Chat and Chew

Be on the lookout for flyers coming home this week about a new format for Chat and Chew!

As always, we are looking, asking, and not above begging, for volunteers to lead groups of students in discussion during their lunch break.

We are also looking for some more books to pad our library this year. If you are at Savers, Goodwill or a garage sale and happen to see any of the books listed here and wouldn't mind picking it up and donating it to PTA/Rosehill's library, we would love it!

If you have any questions, don't hesitate to ask us.

Later this week I will send out a visual to help you understand how our traffic flow will work. As with all change, it will take patience and effort by everyone so it is a positive experience for all.

Bike Helmets

If your student is riding their bicycle to school, a helmet is required! Staff have been directed to ask students to get off their bike and walk it home if they do not have a helmet. Thank you for understanding as we make an effort to keep all students safe!
