

Rocket Blast of the week of August 24

We're in it now! Our kids have a full week of school under their belts, we've allmost got our new schedules figured out--it's looks like a good year is off to a great start.

THANKS to all of you who were able to attend our first PTA meeting of the year last week. Those of you who were able to come heard about some of the great opportunities we've got for our kids this year, many of which are funded or partially funded by PTA.

We've got several ways for YOU to get involved:

Be a Room Parent - We are in need of Room Parents for every classroom. The role of the room parent is to organize the class parties (Halloween, Holiday and Valentine's Day). Don't worry if you can't make the parties, you just need to organize the event and usually there are more than enough people to donate items.

Help with the Walk-A-Thon - One of our biggest fundraisers is the Walk-A-Thon on October 1st. We need lots of volunteers to count laps, hand out water, and keep the kids excited to walk their little hearts out. Work all day or only for a few hours - the choice is yours.

Coming up this week:

Tuesday, Aug. 25: Fundraiser Kickoff

Looking forward:

Sept. 7: No School (Labor Day)

Sept. 8: No School (staff development day)

Sept. 15: PTA Meeting (7pm in the Library)

Sept. 17: SkyZone Fundraiser starting at 4pm

Sept. 18: Outdoor Movie Night at Rosehill

Have a great week, Rockets!

Rocket Blast of the week of August 18

It's coming! It's coming! THE BIG ENVELOPE is on its way to you this week. TBE is full of info about PTA, ways to help in your child's classroom, news about perks PTA members receive, and more.
