

Rocket Blast for the week of March 27

Hello Rosehill families! Our students will be completing their Fun Run on Thursday, March 30. There will be two race tracks set up on the playground, and we need your help manning them. As a race volunteer, your task will be to mark the kids' laps and to cheer them on! Nothing makes a race more fun than to see family and friends participating, too, and encouraging our students to meet their goals.

The money that is raised from this event will provide Rosehill students, staff, and families with experiences they would not otherwise have access to - field trips, assemblies, family fun nights, book club, writing workshop, MakerSpace, and more.

Thank you for your help to make this a successful event for our entire Rosehill community!
