Rocket Blast for the Week of Sept. 14

Rockets! You shot the Cookie Dough Fundraiser into the stratosphere! Thanks to all of you who ordered and turned in orders: it was a really successful fundraiser and, like your PTA dues, will help benefit Rosehill in many ways.

The PTA directly supports learning by giving money for field trips, buys the school-wide movie license (so we don't need to worry about that FBI warning!), and much more. We offer teacher grants to all classroom teachers and specials teacher to assist them in buying items for their classrooms. We also help indirectly: a team of PTA parents helped deploy the iPads to all Rockets, we assist with picture day, and many of us volunteer in our kids' rooms. THANKS to each and every one of you who makes a difference not just in your child's life, but for all the kids at Rosehill.

See you at the PTA meeting on Tuesday (7pm in the Library)!

Here are some important things to know:

Spirit Wear: Order forms are due Friday September 18th.

Cookie Dough Fundraiser: Thank you to every one who turned in their order forms the fundraiser was a huge success. Look for delivery details in October. Expected delivery date is October 16th.

The SMAC Clothing Center offers free clothing to families living in the Shawnee Mission school district, including underwear and socks. The Center depends on each school in the district to help it run successfully.
