

Rosehill Rocket Blast for Week of May 19

Sniff or YAY? Sort of both in our house this week: we're SO excited for the summer but always miss our fabulous teachers and friends!

A few things to note:

This is the **last week of the Rocket Blast**, but you may get a few updates over the summer. Make sure you subscribe to the Google Calendar (how-to details are on our Facebook page under "Notes.") As we get 2014-2015 calendar items, we'll add them to the calendar and you'll be up-to-date!

Order your school supplies NOW and you'll have one less thing to worry about in August. Paper order forms went home last week, turn them in by Wednesday with a check or order and pay on-line until 6/8.

When you're looking for something different to do with your kiddos this summer, or when you get tired of making lunches, find a SMSD school that's serving a Lunch Bunch meal over the summer. It's free for kids ages 1-18. More info here: <http://foodservices.smsd.org/Pages/Summer-Lunch-Bunch.aspx>

Field Day Is This Week

Dear Parents,

Just a reminder that next week will be Field Day! Field Day is a fun-filled day of physical activity. The schedule is:

Monday, 5/12 - Kindergarten & 1st Grade

Tuesday, 5/13 - 2nd & 3rd Grades

Wednesday, 5/14 - 4th & 5th Grades

To ensure a safe and successful day, we would appreciate your cooperation in the following ways:

- Please make sure your student is dressed appropriately for the weather in comfortable clothing. They may need layers in the morning, depending upon temperatures for that day.
- For safety reasons, tennis shoes/sneakers are required.
- Please make sure your student has a healthy breakfast that morning.
- Send your student to school with a water bottle. Write their name on it.
- If your student has any seasonal/environmental allergies, please make sure you give them allergy medicine.
- If your student uses an inhaler and you have not already sent one to school, please send one with them on Field Day.
- Sun Screen - Please apply sun screen at home, or send sun screen with your student to be used at school.

- Last, but not least, if any of your phone numbers/emergency contact numbers have changed, please make sure your student's teacher, has the correct phone numbers.

Thank you very much for your continued support and cooperation!

Cross With Care

A parent noted that "Carrie, our crossing guard, was almost hit as she was in the crosswalk at 97th and Rosehill. She expressed to me that drivers are disregarding her more often and she is very worried that a child will be hit by a careless driver.

This is not the first time I have seen a driver cruise through the intersection while she was out there, and she has expressed aggravation in the past as well. It seems to me that there may be some confusion as to the rules when the crossing guard is out." Please remember that the crossing guard acts like a movable stop sign: if she's in the street with her sign, you must stop.

Have a great week!
