We've got so much awesome stuff going on, we couldn't wait for the Sunday Rocket Blast!

### **Art Night is Next Thursday!**

Mrs. Hubbard, our wonderful art teacher, has a super-fun art activity planned for families. In addition to the project, a gallery of student art will be up. But... we could use your help getting the art installed. We have created a Sign Up Genius for volunteers to come in and hang up art work with Mrs. Hubbard. There is a place for you to put in the day and time that works best for you. Follow the link: <http://www.signupgenius.com/go/10C0D4BAEAC2CA2F58-hang>

### **Recognize Special Education Teachers**

The Friends of Special Education Award is given to an individual working in a school within the Shawnee Mission school boundaries who has "gone the extra mile" through support, encouragement, innovation, and/or collaboration to make a special difference in a child's life.

In addition to the individual award, a Friends of Special Education School Award also will be presented. This award is presented to the school whose staff has built an especially inclusive environment and provided a place where all children can thrive. If you believe that your child's school embodies these qualities, you can nominate your school for this award. Your nomination letter will be presented to the principal the evening of the award ceremony.
