From Our President

Dear PTA members,

One of our Rosehill families had a fire right before Christmas and they lost everything. I am hoping that we can come together as a school community to help this family. They

are in need of donations of clothes, boys sizes 10-12 and 14-16, girls size 4T, womens size medium top and size 5 pants. They could also use household items or gift cards to purchase these items. You can send your donations to school and they will be collected by our school Social Worker, Vicki Love.

Thank you for your time and caring support,
Nicole Maere
PTA President
